GREAT POPULARITY! The Sacred Melodeon,

BY A. S. HAYDEN,

HAS uniformly given, so far as the Publishers know, entire satisfaction to all churches and Musical Associations that have used it. Scores of practical teachers have praised the book and have it now in their schools. But the fact that it has reached so many editions, has attained a sale of between One Hundred Thousand and Two HEAD DRESSES, Hundred Thousand Copies, and is now in larger demand than ever, has, if anything can, take the work ont of the domain of criti-

thing can, take the work ont of the donaiu of criticism.

Two reasons will chiefly necount for the great success of this volume;
FIRST—The character of the Work. It represents a new and greatly improved system of notation. In it much that is abstruse and difficult in this delightful content in the common way of learning the practice of musical art.

Sucash—The Quality and Style of Music. Many new pieces, destined to please as long as music lasts, may be found on its pages, and also many of the old and tried melodies, liall wed from associated recollections of sanctuary delige ts, and far more welcome to the heart of the wershipper than others frequently sabstituted for them.

The inchanical execution of the work is superior altogether to the majority of Eastern Music Books, and the price much lower.

The work may be had of Booksellers in all the principal cities and towns, or may be ordered direct from the Publishers.

OF MEDICINE! This Work has been condensed into One Volume Large Octavo, 800 Pages, with 200 Hlustra-tions of Plants, etc.

And is adapted and expressly intended as n FAMILY GUIDE TO HEALTH! and for the treatment of the diseases to which "flosh is heir." Simple remedies and the common-senso mode of treatment insisted upon, render this volume one of inestimable value to all families of ordinary intelligence, who would preserve health, or avoid disease and the expense often needlessly interred in consequence. The l'ublishers have yet to learn of one family having become dissatisfied with their purchase after using the book. obtain Reach's Family Practice and Obinin Reach's Family Practices and you will have a physician in the house ever ready to be consulted. The work is bound in substantial leather binding, and may be had from us by mail, post paid, for FOUR DOLLARS in advance, or obtained from Booksellers. Better evidence of the value of the work need not be furnished than the facts stated above, as to its sale, etc., etc. Each copy contains fac-similes of the gold medals received by Dr. Beach, and testimonials from distinguished physicians in Europe and America.
